Our Story

Coffeeberry Café opens

Coffeeberry Cafe starts trading in a quiet Suburben shopping centre in Pietermaritzburg. Why the name? You might have thought that coffee comes from beans. But those beans start out as coffee berries. We like to think of it as the berry that changed the world...Our name, Coffeeberry, pays homage to that great berry.

2005

Coffeeberry moves to a new, contemporary space at the revamped Cascades Lifestyle Centre.

After 10 years, we decided it was time for change. During the major Cascades Lifestyle Centre renovations in 2016, we moved to a prime location on the newly-built Piazza. The bigger location meant our customers could sit inside or outside. It also meant we could build a wood-fired pizza oven and extend our opening hours to offer a dinner service. At that time, we launched a new logo and brand identity to reflect the contemporary café bistro feel of our new location.

2016

Coffeeberry wins Nedbank Small Business of the Year Award

In 2018, we were named Small Business of the Year at the Pietermaritzburg Chamber of Business Awards. This was made possible, thanks to the loyal support of our customers and the hard work and dedication of our Team.

2018

Our community

If there's one thing we love, it's celebrating our incredible community. Pietermaritzburg and the KZN Midlands are home to so many talented people. To highlight those people, We have created some unique events. The first, Live Music Sundays, where we host top local musicians and bands. Free entry and so much fun. True Story Tuesdays, where we invite locally born, remarkable members of our community to share their story with our guests over supper, has proven to be incredibly popular, so be sure to join our Whatsapp events group to be first in the know, and book early to avoid disappointment! Our Weekly Wednesday Quiz evenings, hosted by local legend Mark Brokensha, provide an opportunity for family, friends and business colleagues to challenge their brain power and enjoy an evening of fun, laughter and good food together.

2019

Becoming stronger through adversity

2020 and 2021 were difficult years for people and businesses across the world. Covid-19 had a devastating impact on the hospitality and restaurant industry. But here we stand – thanks to the incredible community that supports us and a dedicated, passionate team.

2021

Our new branch opens in Hilton

Exciting times for our brand! We opened a new branch at The Avenues Centre in Hilton. Our business continues to go from strength to strength and we thank our wonderful community and team for making this possible.
